

“Giulia Maramotti STUDY PRIZE” 2008-2009 academic year

The Reggio Emilia branch of the Soroptimist International association is entrusted by the “Giulia Maramotti” Foundation with announcing a competition for the award of six prizes for students from the “Galvani” Professional High School and the “Chierici” State Art School who have produced work of outstanding quality. The themes of the 2008-2009 Competition, linked to the specific syllabuses of the individual schools were:

For the Galvani High School: “Cult clothes”. How are the season's most extraordinary clothing items created?

Out of a brilliant complicity between samples of creativity and masters of clothing design.

For the Chierici Art School: “Party dress” - a dress to just keep partying in!
